With a background in transactional law, Michael Curry assists his clients through the often-complex process of negotiating and processing commercial loans and real estate transactions.

In addition to his experience in private practice, Mike's experience in these areas comes from time spent as general counsel at two national corporations.

Mike earned his J.D. from South Texas College of Law after graduation from the University of Houston with a B.A. in Economics. He is licensed to practice in Texas, Arizona, and Washington.

Mike's hobby is golf and shares his love of the game with his community through the First Tee program, which introduces young people to the game of golf and its values.
